The North Carolina Association of Educators has planned a rally, march, and Legislative discussion on 16 May 2018 in downtown Raleigh. To assist Raleigh PD, State Capitol PD, and the Legislative PD, the Patrol will stand up 3 traffic squads. Assigned members are not required to be MFF trained for this event.

Reporting instructions for Troop B and Troop D Squads:

These members will be fed, as well as provided snacks, water, and drinks, by the Training Academy and these members may be well served to bring a cooler for these items. Members will be required to carpool from the briefing to a yet to be determined staging area downtown.

The Troop C Squad will remain in an emergency response (stand-by) status for the duration of the event.

Troop Commanders,

The attached correspondence from Field Operations is being provided for your information and proper action.

The North Carolina Association of Educators has planned a rally, march, and Legislative discussion on 16 May 2018 in downtown Raleigh. To assist Raleigh PD, State Capitol PD, and the Legislative PD, the Patrol will stand up 3 traffic squads. Assigned members are not required to be MFF trained for this event.

Reporting instructions for Troop B and Troop D Squads:

All assigned members shall report to Captain T. E. Robinson at the Patrol Training Academy in Building 4 Classroom 1 at 0830 hours for briefing and assignment. The uniform of the day will be the issued Class A uniform.

Members should be reminded that this event will likely not end until late evening and they should be prepared for such. These members will be fed, as well as provided snacks, water, and drinks, by the Training Academy and these members may be well served to bring a cooler for these items. Members will be required to carpool from the briefing to a yet to be determined staging area downtown.

The Troop C Squad will remain in an emergency response (stand-by) status for the duration of the event.

Troops are requested to respond, utilizing their respective attached ICS-205A, with their assigned member's information to Field Operations no later than the close of business on 9 May 2018.

Further information will be forwarded upon receipt and inquiries may be directed to this office.
